A Rare Opportunity to Live At "Platinum By The Sea"

Executive attached residence in the immaculate Platinum by the Sea complex, this voluminous multi-level villa has been architecturally designed to deliver the ultimate in ocean-side family luxury.

The property is of an exceptional size and outstanding caliber for this near-beach location and offers four floors of superbly featured interiors complemented by magnificent stone terraces with ocean views, a lavish courtyard and secluded sub-tropical garden.

A highly practical layout provides separate whole-floor parent and children's retreats, a bathroom on each of three levels plus dedicated study. A basement double garage and storage. For a family unprepared to settle for anything less than excellence, this address is in a class without compromise.
