Townhouse 3  2  2 

SPACIOUS AND SUNNY

If you need the space of a house but the budget is more in line with a townhouse, you must see this gem! Located in a small, friendly block of just 4, this super sized home features 3 double bedrooms, the main with ensuite and walk-in robe, the other 2 with built-ins, as well as an upstairs area that would be ideal as a study or TV area. The large open plan living area leads out to a sunny north facing courtyard - a great place to relax with family and friends. Ducted air conditioning as well as provision for gas heating provide year-round comfort whilst a double garage with internal access adds to the convenience.
