Townhouse 4  2  1 

Four-Bedroom Townhouse with Ocean Views

Positioned in one of South West Rocks' most sought-after coastal pockets, this spacious four-bedroom townhouse offers a golden opportunity to create your own seaside sanctuary. With only three homes in the complex and a views of the ocean from the upper level, it's brimming with potential and ready for a fresh new chapter.

Open for Inspection

By Appointment.

The downstairs master bedroom includes an ensuite, offering privacy or single-level living, while the upper level features three additional bedrooms and the main bathroom. The open-plan lounge, dining, and kitchen area forms the heart of the home - light-filled and functional and plenty of storage. Fenced yard with a small grassed area provides just enough space for a pet or a quiet cuppa in the sea breeze. A single lock-up garage and visitor parking add convenience, along with a separate laundry and external access.

Original throughout, this townhouse is perfect for those ready to roll up their sleeves and add value in a highly desirable coastal location.
