Light-Filled Coastal Living Steps from Bondi Beach

Positioned just moments from the sand and surf, this beautifully renovated top-floor apartment delivers an exceptional Bondi lifestyle with space, light and versatility rarely found in a one-bedroom home.

Set across two levels, it has been beautifully renovated since purchase, with warm timber floors, contemporary finishes, and an abundance of natural light. The generous bedroom features a great storage, while the oversized separate study offers exceptional versatility - as a home office, nursery, guest room providing a flexible space for growing families, visitors or working from home. A dedicated parking space completes the picture.

But it is the setting that makes this property particularly special.
