The unit consists of an open plan dining, kitchen, and living area with a ceiling fan and air conditioning. The modern kitchen is functional and complete with a dishwasher, electric stove, and oven. Both bedrooms have carpet, built in wardrobes, and ceiling fans for year-round comfort. The stylish combined bathroom and shower is airy and bright. Having an internal laundry is a great asset, as you do not need to use a communal or shared laundry in the complex.

Just across the street is a great park where kids and pets will love playing and running around.
