With a split system air conditioner and ceiling fan in the living room for year round comfort; this fully fenced brick and tile home occupies the rear third of the lot, creating a secure environment. This low-maintenance retreat is a lock up and leave or enjoy the quiet of your own private courtyard.

Body and mind power

After beach days or long walks, unwind with instant gas hot water, strong pressure, and an adjustable showerhead suited to taller frames or relax in the bathtub - melting muscle tension. Gas stovetop and electric fan-forced oven to make tasty meals, fuelling the relaxed Busselton life. The separate tiled laundry combined with the solar panels makes cleaning and drying clothes cheap, quick and easy.

Versatile outdoor living

Outside, a semi-permanent gazebo provides a sheltered extension in front of the kitchen. This low-maintenance space is ideal for morning coffees or evening entertaining, sitting adjacent to a secure single carport with a garage door, the paved courtyard is thoughtfully designed for relaxed outdoor living.

Private garden nook

The sense of seclusion continues with a lushly planted sitting area tucked away via the furry friends' playpen at the front of the home. Surrounded by tropical greenery and frangipanis, this tranquil garden nook offers a second haven for relaxation and quiet, away from the main entertaining courtyard.

Rest peacefully

The colours used in the three bedrooms continue the peaceful relaxed beach vibe of the home with new carpet. Walk into the cosy master bedroom with a walk-in robe, ceiling fan, and block-out curtains overlooking the lush front garden nook. The second bedroom includes a built-in robe and ceiling fan, while the third bedroom is single-sized with its own built-in robe.
