It's north facing aspect allows the warmth of the sun to fill the bedrooms and second lounge room at the front of the home. The master bedroom and ensuite is situated off the lounge area with double built in robes. In the middle of the house you will find the open plan living space consisting of the lounge, kitchen, dining and alfresco area. Outfitted with crisp whites, calm neutrals and timber accents throughout, creating an inviting coastal feel to the property. An added feature of ducted air conditioning throughout the home provides comfort all year round.

Features include:

- * Walk in pantry, good sized double door fridge space
- * Quality 5 burner gas stove and 900mm electric oven
- * Double lock up garage with electric car charger
- * Side access to backyard
