Sold - 30/11/2011

House 4  2 

### Architect Designed Home With Panoramic Views

This magnificent home is beautifully situated to form part of its natural flora and fauna surrounds with panoramic views to the ocean and Cape Hawk from the huge windows of most rooms in the house. The split level design is light and bright throughout with polished timber flooring and high cathedral ceilings to the spacious formal and informal living areas and adjoining sundecks. There are three bedrooms plus a study, the main bedroom with large ensuite bathroom and walk in wardrobe. There is a large open plan kitchen and double garage plus lots of extra storage space. In a quiet and private setting, provided with quality fixtures and fittings, this home is a delight to inspect.
