Big? You Better Believe It!!!

Located in a quiet cul-de-sac this property is deceiving in size and even offers access to Banyanda Lake. Ideally configured for a large or extended family or perfect for teenage accommodation with spacious living on two levels boasting a massive rumpus room downstairs, large family room upstairs with raked ceilings plus formal living area. The modern kitchen has plenty of cupboards and features a large granite island bench and glass splashback. In addition to the four bedrooms the home also offers a study.
