

**3 Fortescue St, Torrington, QLD 4350**

**\$959,000**

House 4  2  3 

**Modern family home packed with features**

Positioned in a quiet pocket of Torrington, 3 Fortescue Street presents a well-designed family home offering generous proportions, practical living and exceptional shed space on a usable allotment. Combining comfortable interiors with standout external infrastructure, the property is ideally suited to families needing room for vehicles, equipment and lifestyle flexibility.

**Open for Inspection**

By Appointment.

From the entry, the home opens into a spacious central living area, creating a comfortable hub for everyday living while maintaining connection to the kitchen and dining zones. Flowing through, the kitchen is well-appointed with ample bench space, storage and functionality, making it perfectly suited to busy households and entertaining.

The layout has been carefully considered, offering four well-sized bedrooms positioned for privacy and separation. The master bedroom provides a private retreat complete with ensuite and built-in storage, while the remaining bedrooms are serviced by a centrally located main bathroom, ensuring practicality for growing families.

Stepping outside is where the property truly shines. With excellent side access leading through to a substantial shed, the block has been designed with usability in mind. Whether it's trailers, caravans, work vehicles or additional storage, there is ample room to accommodate it all. The yard remains spacious and functional, providing plenty of room for kids and pets without compromising on access or workspace.

Blending a functional family home with rare and highly desirable shed infrastructure, this is an outstanding opportunity in a location well known for space, accessibility and lifestyle appeal.

The Home:

- Four well-proportioned bedrooms with built-in storage
- Master bedroom with private ensuite
- Spacious central living area ideal for family living
- Functional kitchen with ample bench space and storage
- Main bathroom servicing remaining bedrooms
- Practical layout with excellent separation
