If you've outgrown your current home and you're dreaming of space - real space, for real family life - this is the one you've been waiting for.

Tucked away in the sought-after Tuxedo Junction estate, this outstanding Coral Homes property sits on a massive 4,478m² ½ block and delivers every extra a growing family could want. From the moment you arrive, you'll feel it: this home is something special.

Space for everyone, every way you need it

With 5 generous bedrooms plus a study, two separate living areas and an adjoining dining space, this home offers the open-plan, easy-living layout Tuxedo Junction is known for. Whether it's movie nights, teenage retreats, a home office, or everyone under one roof for family dinners, there's a zone for every stage of family life. The master suite is a genuine parents' escape, complete with a walk-in robe and private ensuite.

And for multi-generational families, this property goes a step further. A second, fully detached granny flat (subject to council approval) gives you independent living space perfect for ageing parents, adult kids wanting their own space, or extra rental income. Flexibility like this is hard to find, and even harder to find on a block this size.

A kitchen made for family life

The designer kitchen is the heart of the home - Caesarstone benchtops, a freestanding gas cooktop, an island bench for homework and hangouts, and a walk-in pantry that keeps the chaos of family life beautifully out of sight.

Outdoor living that feels like a permanent holiday

Step outside to the large undercover alfresco area and take in sweeping views over the neighbouring lake and parkland - a rare, tranquil backdrop for weekend barbecues and lazy family afternoons. And with the sparkling in-ground pool, summer is sorted - no waiting, no extra spend, just jump in and enjoy. The pristine yard and landscaped gardens complete the picture.

A shed built for serious work, not just storage
