PRIVATE LISMORE HEIGHTS OASIS

Tucked away on a leafy 4566m2 block on the northern ridge of Lismore Heights, this stunning home is a rare find indeed. Built to integrate beautifully with the bushland setting.

Step inside and you will love the polished hardwood timber flooring, high raked ceilings and timber trim. The lovely timber kitchen with gas oven and cooktop is ideal for the family chef to create whilst enjoying sensational north east views. The living areas all flow beautifully to a magnificent deck built to entertain in style or simply soak up the views. This level also features 3 bedrooms plus study or 4th bedroom. A beautiful bathroom where you feel at peace with the surrounding bushland. Internal stairs lead to a fully self contained area with bedroom, ensuite and living area. A second private entertainment area is accessed via french doors and is large enough for a big party yet private enough for a relaxing intimate escape.

The bushland setting provides privacy yet still has ample play area for children and also features a home orchard with banana, citrus and paw paw trees. Few homes enjoy such a privileged position offering a private peaceful setting yet handy to schools, shops and Lismore CBD
