Designed for large or multi-generational families, this modern and spacious residence offers multiple living configurations with room for everyone to enjoy their own space while still coming together to create memories.

The main residence features a light-filled open plan kitchen, living and dining area that flows effortlessly to the outdoor entertaining spaces. Offering three bedrooms, including a master suite with a convenient Jack & Jill bathroom, this home is perfectly designed for relaxed family living & down-sizers.

Adding even more value is the separate granny flat complete with 3 bedrooms, lounge area and bathroom - ideal for extended family, teenagers, guests, dual living or even potential home business opportunities.

Step outside and enjoy your own private resort-style retreat with a sparkling pool, expansive undercover entertaining area and endless room for kids and pets to play. Tradies, business owners and those needing extra storage will love the huge 8m x 6m shed plus three additional storage units, offering incredible flexibility for workshops, home gyms, trailers, tools and equipment.

There is an abundance of space to securely park multiple vehicles, caravans, boats and all the toys, making this property a rare lifestyle opportunity with so much versatility.
