THIS IS IT

This is the best value home in a house proud Street, that South West Rocks has to offer.
Beautifully presented and maintained but just far too big for the owner, they have reluctantly decided to sell and downsize.

The home is open and spacious with a large family, living room, dining, lounge and kitchen combination inviting you right in.

The 3 bedrooms are large, the 2 bathrooms are very classy, and a computer nook for your office, the outdoor entertaining area is low maintenance and practical while the double garage has extra space.

The yard is very level and fully fenced with that very important side access for the extras.
