Open for Inspection

By Appointment.

This 4 bedroomed brick and tile house is ideal for young families or even investors looking for a great property.

The house is located in a quiet part of Loganholme, directly across the road from a large park, with a kiddies playground, and just a few minutes walk from the famous Alexander Clark Park on the banks of the Logan River with its many amenities.

We enter the house into a small formal entry we have the master bedroom on the left, separated from the rest of the accommodation wing. This room, as with all the bedrooms is carpeted, and has a built in wardrobe, a fan, and a modernized two way bathroom, complete with a bath, glass screened shower, exelair and prestigious terracotta tiles.

There are laminated timber floor throughout the public areas and wooden venetians throughout the whole house

To the right of the entry is the formal lounge with a fan, although the air conditioner in the family room is large enough to cool this area also. The lounge is connected to the family areas with a frosted bi fold door for privacy if needed

Through these doors we enter the large family / dining / kitchen area, fully airconditioned. The good sized galley kitchen has plenty of cupboard space and there is also dishwasher here.
