Nestled in a quiet rural setting in the stunning Lockyer Valley, this idyllic home is waiting for your family to enjoy. Situated on a fully fenced 5,007m² block, this charming residence offers space, comfort, and a seamless connection to nature.

Inside, you'll find four spacious bedrooms, each featuring built-in wardrobes, air-conditioning, and direct access to the beautiful wrap-around veranda-perfect for soaking in the peaceful surroundings. The master suite, located at one end of the home, boasts a walk-in wardrobe and private ensuite, while the remaining three bedrooms are conveniently positioned down the hall alongside a separate bathroom, laundry and toilet.

At the heart of the home, you'll find the kitchen, dining and living areas, designed for both functionality and connection. This central space flows effortlessly out to the back deck, where you can enjoy summer BBQs while taking in the tranquil rural views.

Designed for family living, this home also features a massive rumpus area at the back of the property - ideal for entertaining, a playroom, or a home gym. A dedicated workshop at the front adds even more functionality, perfect for a man cave, hobby space, or additional storage.

Adding to the versatility of this unique property, it has previously been used for commercial purposes, offering the opportunity to combine home and business in one convenient location. Whether you need space for a home office, workshop, or business base, this property provides the flexibility to suit your needs.

If you're searching for a tranquil lifestyle with modern comforts and the potential for a home-based business, this Lockyer Valley gem is a must-see.
