Renovated Luxury with Water Views

Completely renovated from top to bottom, this impressive home delivers space, style and versatility, with the flexibility to be used as either a five bedroom home or four bedrooms plus a dedicated office.

The heart of the home is the huge open plan kitchen, dining and living area, where a stunning skylight pours natural light into the centre of the home year round and creates an immediate sense of space and warmth.

For those times when guests arrive, the separate lounge room provides the perfect escape for the kids, movie nights or simply some quiet time away from the main living area.

All bedrooms are generously proportioned and feature BIRs while the massive main bedroom takes things up a notch with a WIR and private ensuite. Ducted reverse cycle AC throughout ensures everyone stays comfortable regardless of the season.

The two large bathrooms continue the contemporary feel with floor to ceiling terrazzo tiles and quality finishes.

But everyone is different, and while the home has plenty to offer inside, the massive undercover rear alfresco may just be the standout feature. With plenty of room to entertain, relax or simply enjoy a quiet afternoon, the elevated position takes full advantage of the beautiful water views across the Clyde River.

Add in the close proximity to boat ramps, beaches and all the facilities of Batemans Bay CBD, and you have a home that combines modern living with an enviable coastal lifestyle.

Renovated, spacious and incredibly versatile - with water views that make the backyard feel like a destination of its own.
