A gorgeous two-bedroom post war home that is safe and secure in a fully fenced yard with a large 2 car carport at the ready.

This property is the perfect combination of original retro features with a gorgeous front patio that leads into the comfy, cosy lounge room, a generous kitchen with enough room to enjoy family cooking and entertaining. The home boasts fans throughout, as well as air-conditioning to both bedrooms and lounge room, ensuring complete comfort during all seasons of the year.

If entertaining is your thing we have a great-sized back deck that leads to your back yard, with space for the kids to run and play, add one huge storage container, and you are only limited to your imagination, think games room, your own private bar, storage for all of your toys, or use it as a container pool. If you enjoy gardening, alongside the established plants, shrubs and fruit trees that already adorn this property, there is enough space to create your own paradise.
