STOP DREAMING ABOUT IT

Sleek lines and pleasant angles, in this large and spacious home, offer a stylish ambience and a profusion of natural light and ventilation throughout!

Set on a generous 1400m2 block, this Home has one of the BEST unrestricted views on the Northern ridge that I have ever seen.

Accommodation boasts 3 double bedrooms, all with built-in wardrobes including the master bedroom with a private office, and hosting views to the border rangers National Park and the Night cap ranges.

Large living spaces, including the lounge dining and family rooms more than cater to the everyday requirements of the growing modern family.

The central kitchen, the hub of this great home, hosts an abundance of bench space, equipment and sleek glossy cabinetry, sure to satisfy the most enthusiastic chefs.

Entertain all year round in the spectacular covered outdoor entertaining area, set amongst lush lawns, beautifully manicured gardens and tropical palm leaf surrounds. This home also offers a relaxing Bali style hut perfect for relaxing with that afternoon drink.

Other features include gas hot water, new carpet and interior paint, Gas cook top, double lockup garage and a quiet and private location.
