House 3 2 2

Coastal Comfort Awaits in Bluewater

Welcome to this well-presented home located in the peaceful coastal community of Bluewater. Inside, the master bedroom provides a private retreat featuring its own ensuite and a walk-in robe, ensuring both convenience and space. All three bedrooms are equipped with air conditioners, keeping the home cool year-round, while the split-system air conditioner in the lounge ensures comfort in the central living area. Ceiling fans throughout add to the breezy, tropical feel.

Open for Inspection
By Appointment.

Outside, the property continues to impress with a garden shed for storage and a high-roof carport, perfectly suited for housing a boat, caravan, or other large vehicles. The generous block offers space to enjoy outdoor living, gardening, or simply embracing the serenity of the Bluewater lifestyle.
