The surprises don't stop there with a stunning kitchen you would expect to see in a much more expensive home.

A large island bench with dual waterfall ends and a large breakfast bar is the first thing you notice when stepping into this space. But where is the fridge you ask? This kitchen comes complete with a large butler's pantry with enough room for a fridge, microwave, heaps of prep space and storage. The long horizontal windows in the kitchen and the pantry allow both for natural to stream into the home as well as leaving room for plenty of overhead storage.

The home is well equipped with tiled floors through out to make keeping the place clean a breeze and includes block out roller blinds and split system air conditioning to keep the place cool and comfortable. This home is perfect for a young family with a swimming pool in the rear yard and a park straight across the road. There will always be plenty of outdoor activities for the kids.

Features include:

- * Stunning kitchen with large Island and breakfast bar
- * Large butlers pantry for added utility
- * Quality above ground swimming pool
- * Separate shower and bath in main bathroom
- * Security devices on windows and doors
- * Double side by side garage with remote roller door
- * Located across the road from a large park
- * Solar hot water system
