By Appointment.

Designed with character and comfort in mind, the home showcases striking adobe walls, feature stone fireplaces and an abundance of natural light throughout. Every bedroom enjoys private balcony access, creating seamless indoor-outdoor living and capturing the beauty of the surrounding landscape.

The heart of the home is the spacious entertainer's kitchen, complete with gas cooking, dishwasher and generous bench space, flowing effortlessly into the open-plan living and dining areas. The master suite is a true retreat featuring a walk-in robe and stylish ensuite with an oversized double shower, while the main bathroom offers a luxurious freestanding bath and walk-in shower.

Step outside and discover an expansive entertaining deck overlooking the sparkling swimming pool — the ideal place to relax, entertain or simply soak in the peaceful golf course outlook. An additional under-house area provides versatility for a home office, gym, workshop or extra storage.
