Duplex 2  1  1 

Estate Sale

This little beauty has been reduced from the original asking price and is real value in the 'GoldenTriangle' of the Ballina Shire. This is a level duplex and very suitable for retirees looking to downsize. In its original but tidy condition, an opportunity to modernise it to your liking presents itself. The large open plan living area with a northerly aspect is a real feature leading onto the balcony and a sneaky ocean view on offer. Such an easy walk to the beach and main street of Lennox Head. **MUST BE SOLD TO FINALISE THE ESTATE**
