From the moment you step inside, the home has been designed with family living in mind. Offering four generous bedrooms, including a spacious master suite complete with his-and-hers wardrobes, the floorplan provides plenty of room for the whole family to spread out and enjoy.

At the heart of the home is the impressive kitchen, complemented by a separate butler's kitchen and flowing seamlessly into the large dining and family living areas. This open-plan design creates a fantastic central hub for everyday living, entertaining and spending time together.

The home continues to impress with a dedicated children's activity area, giving the kids their own space to play or relax, while the separate home theatre provides the perfect place for family movie nights or a quiet escape.

With two bathrooms and ducted air conditioning throughout, the home has been designed to provide comfort and convenience all year round.

Step outside and the lifestyle continues with an in-ground swimming pool, perfect for those warm summer days, along with a shed providing additional storage and practicality. Set on approximately 816m², there is plenty of space to enjoy both inside and out.

Positioned in a peaceful pocket of Thirlmere, the property offers the relaxed lifestyle the area is known for while remaining conveniently located to local schools, shops, parks and everyday amenities.
