The main residence is an entertainer's dream, designed to bring people together in style. The modern kitchen features a large window framing stunning hinterland views and seamlessly flows into the spacious dining area, creating an open and connected atmosphere. The generous island bench serves as the perfect link between the kitchen, dining, and main living spaces. From here, stacker doors open to a vast, covered Queenslander-style entertaining deck, which effortlessly connects to the infinity magnesium pool and outdoor kitchen. Equipped with a built-in BBQ and pizza oven, this outdoor space is ideal for hosting guests, enjoying casual meals, or simply relaxing while soaking in the beauty of the surrounding gardens and vistas. Whether you're entertaining or unwinding, this home effortlessly blends indoor and outdoor living in a truly captivating setting.

Designed with comfort in mind, the home boasts ducted air conditioning for year-round climate control, while a custom-designed farmhouse fireplace adds a cozy
