IMPRESSIVE FAMILY DESIGN WITH PANORAMIC VIEWS!

Deceptively spacious and instantly impressive, this versatile family residence is designed for effortless living and entertaining while making the most of its sweeping panoramic views.

Open for Inspection

By Appointment.

An exceptional choice for large or extended families, the home features an array of living zones including a welcoming lounge room, a vast open-plan family and dining area, a downstairs rumpus, and a flexible space that can serve as a sixth bedroom or additional living room - complete with built-ins.

The main level hosts the private master suite with a deluxe walk-through robe and elegant ensuite. A generous second bedroom sits nearby, alongside a stylish main bathroom, while a fifth bedroom or study near the entry provides the ideal setup for a home office or business.

The oversized kitchen offers abundant storage and perfectly complements the expansive open-plan family space. Sliding doors open to a covered alfresco area where you can relax or entertain while soaking in breathtaking views to the south.

Downstairs, two additional bedrooms with built-ins are accompanied by a third bathroom and a large workshop or storage area - ideal for a home gym or hobby space.

Outdoors, a sparkling inground saltwater pool sits privately amongst low-maintenance gardens, with a lower-level alfresco providing the perfect spot for gatherings while the kids enjoy a swim. Zoned ducted reverse cycle air conditioning ensures comfort throughout the year, complemented by a ducted vacuum system for easy care.

Set within a peaceful cul-de-sac close to parks, schools, shops, the sporting precinct, and the Longyard Golf Club, this property offers an unbeatable blend of space, comfort, and lifestyle convenience.

- Envious choice of living & entertaining on both levels
- Breathtaking views to the south
- Five bedrooms all with built-ins, possible 6th bedroom/ living
- Master suite with deluxe walk through robe and ensuite
- Zoned ducted reverse cycle air conditioning & ducted vacuum throughout
