Three spacious bedrooms and three bathrooms allows for your family and guests to be in constant luxury and have their own privacy. There is also a designated office space that is wired and ready for your computer and office equipment. This home has been custom designed and you will not find another like it in Bowen.The large open plan lounge area with raking ceilings opens onto a large undercover entertaining area with a built in bar area, built in BBQ cabinet with a rinse sink and then there is also a wood fired BBQ/ Pizza oven.

The kitchen with lovely stone benches has been designed as a split kitchen so that the visible kitchen space is always immaculate and the messy dishes are away from view of your guests. Around the corner tucked away is the washing up area, dishwasher and even the laundry. It is very different and a very clever idea. You have to see it to appreciate it.

The home is fully airconditioned. All bedrooms, living rooms and patio have ceiling fans. Each bedroom has built in robes, two have ensuites and then there is a main bathroom as well. This is a great idea when you have guests staying.

There is a gorgeous patio and fully tiled inground pool. The garden is also irrigated.
