## LUXURY STORAGE SHEDS - PREMIUM DESIGN & FUNCTIONALITY

Elevate your personal or business storage to a class of its own with these brand-new luxury storage sheds, ideally positioned in the heart of Forster. Designed to deliver both practicality and sophistication, these premium units offer an exceptional standard rarely found in traditional storage facilities.

Constructed with durable concrete tilt panels, each shed provides outstanding security and is fully waterproof, ensuring your valuable belongings, vehicles, boats, caravans or business equipment remain protected year-round.

The impressive high-clearance design allows for generous vertical space, while select units feature well-constructed mezzanine levels - perfect for maximising usable floor area and creating additional storage or workspace. High-quality built-in cabinetry and shelving offer a streamlined and organised solution for equipment management.

Inside, a superior luxury fit-out sets these sheds apart. Each unit includes:

- Private powder room
- Functional kitchenette
- Separate electricity metering
- Water usage included

Whether you're seeking secure storage, a premium space to support your expanding business or a private base tailored to accommodate your lifestyle, these luxury storage sheds offer the perfect balance of functionality, security and refined design.
