LARGE FORMAT STORAGE SHEDS - PREMIUM DESIGN & FUNCTIONALITY

Brand-new sheds available in central Forster, offering secure, high-end storage space for personal or business use.

Open for Inspection

By Appointment.

Built with durable concrete tilt panels each unit is highly secure, fully waterproof and designed to protect vehicles, boats, caravans, business equipment, business stock, and your valuables year-round. High-clearance garage doors & interiors provide excellent storage capacity, while selected units include mezzanine levels for extra work space. Built-in cabinetry and shelving help keep everything organised.

Each shed includes:

- Private powder room
- Kitchenette
- Separate electricity metering
- Water usage included

Ideal for secure storage, business operations, or a private workspace, these premium sheds combine practicality with a modern high quality fit-out.

Available units:

Unit 1 - 83.74m² (no mezzanine)

Unit 2 - 58.92m² (no mezzanine)

Unit 6 - 79.63m² (includes mezzanine)

Unit 14 - 104.69m² (includes mezzanine)

Four units are available with completion expected September / October.
