Upstairs is where the main living unfolds, featuring comfortable family spaces filled with natural light and leafy outlooks. The spacious kitchen includes a walk-in pantry, dishwasher, and plenty of storage, making it both practical and functional for everyday living.

The home offers three bedrooms upstairs, including a master bedroom complete with air-conditioning and a built-in wardrobe. A second bedroom also features a built-in robe, while the beautifully renovated bathroom presents a modern and stylish design.

Both the front and rear balconies overlook the stunning established gardens, providing the perfect place to relax with a morning coffee or unwind in the evening.

Downstairs provides exceptional flexibility and space, ideal for larger families or those looking for dual-living potential. This level includes a large rumpus room with a wet bar, a study, utilities room, workshop, laundry, second toilet and extensive storage throughout.

Outside, the property continues to impress with a large undercover entertaining area surrounded by lush greenery and garden beds, including vegetable gardens. The gardens are supported by an automatic irrigation system, making maintenance simple while keeping the landscape thriving year-round.

Additional features include a Eufy solar security system, solar electricity, solar hot water, internal and external stairs, and a double garage.

Positioned in a quiet yet convenient location, the home is close to schools, shopping centres, parks, hospitals and public transport, making it an ideal choice for families seeking both lifestyle and accessibility.
