Designed with families and relaxed living in mind, the home offers a spacious living and dining area complemented by a separate family room that flows seamlessly to a well-equipped kitchen - ideal for everyday living and entertaining alike. Each bedroom is generous in size, supported by a dedicated home office complete with a built-in desk, providing flexibility for work or study.

The true highlight is the exceptional outdoor entertaining area. Featuring inbuilt bench seating, integrated drink compartments and a pitched roof, this inviting space captures uninterrupted views across the golf course and creates the perfect setting for hosting family and friends or simply unwinding at the end of the day.

Car accommodation is equally impressive, with a three-car garage offering convenient drive-through access to the low-maintenance backyard - an ideal solution for those downsizing from acreage yet still wanting a sense of openness and practicality.

Year-round comfort is assured with a choice of ducted evaporative air conditioning, split systems, a cosy wood fire and gas points. Enhancing the lifestyle appeal further, residents enjoy access to The Grange community facilities, including a swimming pool, tennis court and BBQ area.
