House 3 1 1

FULLY RENOVATED THREE BEDROOM HOME

This stunning home has been completely renovated from top to bottom, inside and out, starting with new weatherboard, new colorbond roof, new windows, new bathroom, new kitchen, new ceiling, new floor coverings, new balcony and new garage. It goes on and on and it has been done with precision and perfection. The walls and ceilings have been insulated, there is fully ducted air conditioning and gas heating to make this a very energy efficient home. The home offers three bedrooms, formal lounge and adjoining family room opening to elevated balcony offering open living with an indoor/outdoor aspect to provide a relaxed lifestyle. There is a large double garage with storage, plus under-house storage, a large rear yard with an abundance of paving completes the home. Certainly something well above the ordinary.
