House 2  1 

Looking for a Project?

If you are a renovator or are looking for a project, this house is well worth seeing!! This 1896 weatherboard cottage has great appeal for the renovator seeking character and old world charm. Located in a quiet street on a lovely old garden of approximately 614sqm, this property offers two bedrooms, two sunrooms/ built-in verandahs, living room with open fire place, eat-in style kitchen with gas cooking. Extra features include timber lining boards, timber floorboards throughout, high ceilings and natural gas central heating. Yes it needs work, but this one is a sleeping beauty.
