## SUPER SIZE HOME ON A 1214sqm BLOCK WITH MASSIVE GARAGE AND B

Looking for a property with all the size and space you have always wanted? This super sized home on a 1214sqm block is the one to inspect. On a huge block, with a 21m frontage, this home offers an incredible amount of space for living and entertaining both indoor and outdoor, and the bonus of a huge backyard, 6 car under house garage plus an extra space ideal for potentially a games room or home gym.

**Open for Inspection**

By Appointment.

With 4 bedrooms, each with ceiling fans and 3 with builtins, and the main with ensuite and your own private sauna, plus an upstairs loft area that can be an extra bedroom or study and 3 bathrooms in total, the accommodation will suit the biggest family.

The living space will suit the biggest of families and offers an open plan living and dining as you enter, leading to a classic galley style kitchen with gas cooking and pantry, and opening to a second huge family room with rake ceilings and a bar, and flowing into a huge undercover entertaining area, with a second private courtyard space. Outside, 2 separate and level backyards with lots of room for the kids to play or for the keen gardener to create their dream.

And downstairs, an under house garage and workshop space with internal access that can fit multiple cars, bikes, trailers and more !! And as an extra – another rumpus room that can be fitted out to be the ultimate games room or possible home gym.

Looking for something special that you can enjoy for years – this is the house to inspect !!!!
