Modern, Low-Maintenance Living with Private Outdoor Space

Set within a well-maintained complex, this stylish and practical residence offers comfortable living with indoor-outdoor flow and excellent privacy. Ideal for owner-occupiers or investors alike, the home combines modern finishes with a functional layout designed for easy living.

The open-plan living and dining area is light-filled and welcoming, flowing seamlessly from the contemporary kitchen. Featuring ample cabinetry, generous bench space and quality appliances, the kitchen is perfectly positioned for entertaining or everyday convenience.

Glass sliding doors open to a private, paved courtyard – a great spot for outdoor dining, relaxing under the shade sail, or enjoying low-maintenance garden surrounds.

Upstairs accommodation includes a spacious bedroom complete with built-in storage, ceiling fan and direct access to a private balcony. The neutral colour palette throughout creates a calm, modern feel, ready to move straight in or personalise.
