## Full of Potential

An outstanding opportunity awaits buyers prepared to roll up their sleeves. While this property requires attention, it offers excellent potential on a generous 890sqm (approx.) block with R20 zoning.

**Open for Inspection**

By Appointment.

Although the site falls short of the required average lot size for subdivision, the zoning allows for the possibility of adding a granny flat (STCA). The rear portion of the block is flat, free of large trees, and offers strong potential for side access, making it an attractive proposition for renovators, investors, or those seeking future upside.

The existing residence comprises:

- Three bedrooms
- One bathroom
- Kitchen with meals area
- Separate living room

The home requires significant TLC to restore it to its former condition and is being offered for sale on an "AS IS" basis.

Conveniently located close to key amenities including Thornlie Square, Maddington Central, South Metro TAFE, local schools, public transport, and the Thornlie Leisureplex, this property offers both lifestyle convenience and long term potential.

Opportunities like this are increasingly rare - act now to avoid disappointment.
