This well-presented two-bedroom, first-floor unit offers all the benefits of the complex without the maintenance of a private yard. Residents can still enjoy generous common areas, including resort-style swimming pool, landscaped and well-maintained gardens, and a social BBQ area—perfect for relaxing or entertaining.

Inside, the unit features timeless vinyl flooring throughout, with carpeted bedrooms for added comfort. Curtains and roller blinds dress the windows, while split-system air conditioning and ceiling fans have been installed in every room for year-round comfort.

The remodeled kitchen includes an island breakfast bar/workspace and flows seamlessly into the generously sized lounge and dining areas, taking full advantage of the elevated outlook.

The bathroom is well equipped with a bath, shower, vanity, toilet, and integrated laundry facilities.

A standout feature of this property is the impressive 12m x 6m insulated shed with roller door, cleverly divided into a garage, storage area, and games room or studio. Its versatile layout allows it to be easily adapted to suit a range of individual needs.

The complex is immaculately maintained, with quality kerbing, bitumen, and line marking providing easy, private off-street parking.

An exceptional opportunity for a first-home buyer or young tradie seeking comfortable living paired with an outstanding shed—this property is a rare find.
