Unit 3  1  1 

WATERFRONT LIVING / COMPARE AND BE SURPRISED!

While the photos certainly showcase this stunning unit, they don't fully capture the exceptional level of restoration and attention to detail throughout. Originally intended as the seller's personal residence, this property has been completely renovated to an outstanding standard, presenting a rare opportunity to secure one of the finest units currently available on Bribie Island.

Open for Inspection

Sat, 20 Dec 2025 - 9:00 AM to 10:00 AM

Step outside, cross the road, and enjoy a swim in the calm, safe waters of the Pumicestone Passage, or take a short stroll along the waterfront pathway to the Bongaree Jetty, cafes, and restaurants. This is lifestyle living at its best.

Whether you're a southerner seeking a warm winter escape, an investor looking for a quality addition to your portfolio, or considering a premium Airbnb opportunity, this property ticks every box. The sellers are also offering the option to purchase the unit fully furnished. Only an inspection will truly reveal the quality and care invested in this remarkable home.
