Open for Inspection

By Appointment.

This little beauty is just as special on the inside as it is on the outside. A complete and thoughtful renovation has lifted the bar to another level. White, soft grey and taupe decor compliment the recently restyled kitchen with new bench tops, double stainless-steel sink and re furnished cabinetry.

Eye catching timber look, vinyl floor add a svelte look to the living areas. Fresh curtains and whitewash shading to an exposed brick feature wall looks very classy.

Contrasting designer tiling in the bathroom compliment the deep bathtub, the new vanity and separate shower. Even the toilet is new.

Both bedrooms have had a makeover with new window dressings, paint colours and fresh decor. Sleek door handles add to the style while built in robes, ceiling fans and carpet are added features.

This fully fenced, end unit has a unique paved rear yard as well as a front entertainer patio. There is a handy garden shed at the back and side gate access onto the golf course.

Do not miss out on this rare find in the popular, gated Desert Springs unit complex.
