The heart of the home is an impressive designer kitchen, centred around a stunning 3.2-metre stone island and appointed with premium Fisher & Paykel appliances, a fully integrated Bosch dishwasher, bespoke 2Pac cabinetry, waterfall stone benchtops and a generous walk-in pantry. Bathed in natural light, the open-plan living and dining spaces flow effortlessly to the tiled alfresco, complete with Ziptrak blinds for seamless year-round entertaining.

Designed as a true retreat, the master suite features a custom walk-in robe with bespoke cabinetry and a luxurious ensuite finished with twin showers, heated towel rails, floor-to-ceiling tiling, stone accents and designer Urban Brass fixtures. Three additional bedrooms with built-in robes are serviced by a beautifully appointed family bathroom, offering both comfort and style.

Every inclusion has been carefully selected to enhance everyday living, from ducted Actron reverse-cycle air conditioning with Wi-Fi control and 2.7-metre ceilings to premium flooring, designer lighting and quality finishes throughout.

Outside, the home continues to impress with beautifully landscaped gardens, automatic irrigation, side vehicle access, an exposed aggregate driveway and an outstanding 13.2kW solar system paired with Tesla Powerwall battery storage, delivering exceptional energy efficiency without compromising luxury.

This is more than just a beautiful home—it's a residence that has been meticulously crafted with premium inclusions, timeless design and an uncompromising commitment to quality.
