

4 Carlton Cres, Culburra Beach, NSW 2540

Sold - 6/02/2012

House 3  1  2 

Classic Beach House.

This quaint beach cottage has been tastefully renovated to reflect the summer colours and coastal theme. Beautifully presented, it has three bedrooms, modern kitchen and bathroom plus an open plan living area that leads to a large timber deck ideal for entertaining. At the rear there's a storage shed, second carport and fully fenced yard. Car accommodation is by way of an almost closed in carport at the side of the house. The roller door at the front is 2.5 metres high providing excellent boat and van access to the great back yard which is part of the 700 square metre block. The home is just a short stroll from the shops, club, school and just a few more minutes to the beach. For full details contact Brian Muller at Culburra First National on 4447 3600.
