Welcome to your charming, lowset brick oasis in the heart of Yamanto! Nestled in a peaceful cul-de-sac, this late 1990s-built gem invites you to experience easy living in a prime location. As you arrive, the paved driveway leads you to the welcoming front entrance of this well-loved home, where comfort and space are abundant.

Step inside and unwind in the generous, air-conditioned loungeroom, where plush carpeting and a bay window create a cosy atmosphere. A ceiling fan keeps things breezy, making this the perfect spot to relax with a book or catch up on your favourite shows.

For those who love to cook, the kitchen is sure to impress. It features ample bench and cupboard space, sleek stainless-steel appliances, and a bench that doubles as a handy breakfast bar for busy mornings.

There's an additional dining area off the kitchen that's perfect for casual meals with the family.

The master bedroom is your private retreat, complete with a box air-conditioner and ceiling fan to keep you cool all year round. You'll love the convenience of the walk-through wardrobe that leads to the two-way bathroom, which feels like your very own ensuite. The bathroom offers a separate bath, shower, and toilet, while a double sink outside the main bathroom adds a touch of luxury and convenience to your daily routine.

Two additional bedrooms, each with built-in wardrobes and ceiling fans, provide plenty of space for the kids, guests, or a home office.
