

## 4 Dragonfly Cres, Zuccoli, NT 0832

Sold - 19/12/2025

House 4 3

### Partially constructed project.

This partially constructed elevated home represents a great opportunity for a builder or like-minded person to finish the home off to their liking. The location is superb with a large park immediately behind the home and being less than 100m from the Zuccoi Plaza shopping mall which includes a large IGA and a number of specialty stores. At this stage of completion there is still the flexibility to choose all of your own preferred finishes.
