

4 Needlebark St, Redland Bay, QLD 4165

Sold - 10/05/2025

House 3  2  2 

PERFECT MODERN HOME

Built in 2022 this 3-bedroom house is the perfect property for a downsizer, first time home buyer or investors. In the Redlands fastest growing estate "Shoreline", only minutes from the water's edge, and with exciting new projects ahead to make it the number one destination for homeowners.

Shoreline offers an amazing family friendly park and is a short walk to the Scenic Shores State School the newest modern school in the Redlands.

The initial design was for a 4- bedroom house, but the owners opted for the three bedroom option and gained an extra living space. But there is always the option to change the media room back to a fourth bedroom.
