House 4 2 2

BUSHLAND SETTING. CORNER BLOCK. 738m2

I invite you to Torhaven Estate, Deebing Heights.

Designed to deliver a healthy, vibrant community, the Torhaven masterplan complements the immediate natural environment. Mature trees abound, and existing features are accentuated and integrated into the overall amenity of the neighbourhood.

Welcome to the expansive 4 William Street, Deebing Heights.

Commanding an elevated allotment of 738m2, with side access, this privately-owned home is seeking the next family. Please make that one call to secure a private viewing right now.

The current owners designed and built this home, Circa 2019.

Designed for the love of family, with a perfect blend of connected space and private areas.

A welcome, recent retirement, is prompting a new life and lucky you get all of this! Yes, to vacant possession very soon. Our floor plan reveals your new space on two generous levels. Let's talk.

FAMILY LIVING LEVEL:

The smell of the bush and bird song filters through your home with glimpses of trees and skyline at every turn. The elevation offers a light filled, family gathering level, where spreading out is easy. The borrowed landscape of the bushland lifts the soul.
