Exemplary design inspired by 6-star resorts and luxury hotels, The Evermore is focused on providing upmarket residential experiences via the public and private spaces spread throughout the building.

A rich use of natural material is evident throughout The Evermore's interior. The kitchen features natural stone and timber materials, as well as copious storage solutions and the latest Miele appliances.

The bathrooms are capacious with brass tapware, while timber floors grace the living area and bedrooms and are fitted with warm, woolen carpets. Both bedrooms have balconies as well.

The lush tropical gardens are interspersed throughout the project, landscaped with flourishing fronds and foliage to soften the space and calm the soul.

There is a wide range of facilities as well, such as a 14.5m open-air pool with sun lounges and cabanas, high-tech gymnasium, study, library, lounge and even a Gold class cinema.

Located only 2km from the CBD and in the center of Melbourne's world-class arts and cultural precinct is the stylish Guild apartment complex. It is also just a short stroll to the tranquil Royal Botanical Gardens and 5 minutes to the South Melbourne Market. With a plethora of transport options, this is truly an unrivaled metropolitan living at its best.
