SOUTH UMINA FAMILY SPECIAL

ATTENTION ALL ENTERTAINERS. We have found a home in the popular South Umina area that has been designed for families and year round entertainment and socialising.

If you love the water then this great family home will be ideal. Situated less than 1 km to Umina Beach, it has a north facing aspect to maximise the winter sun and a fully automatic Concrete pool with solar heating to allow all year swimming. For those late night pool parties there is a plenty of cover with a double garage (auto doors) and double carport area for the BBQ and table settings.

Inside the home will not disappoint, the parents retreat (main bedroom) is upstairs with ensuite, there are also 2 double bedrooms and a large study area that would easily convert into a 4th bedroom. The timber kitchen is very functional with breakfast bar, Dishwasher and plenty of bench space. Additional features include ducted A/C, Ducted Vacuum, water tank with pump and sunny balcony with bush views.

Sometimes a property is listed for sale and the adverts can't successfully list all the special features it has to offer, the only way to truly appreciate what this family home has to offer is to arrange an inspection. Call John Steel on 0427-414097 to inspect today.
