The brilliant layout reveals a well-proportioned kitchen boasting induction cooking, dishwasher, fully integrated Miele fridge / freezer, ample storage space plus laundry facility, all masterfully contained in designer high end joinery and the bonus of uninterrupted city skyline views to perpetually entertain. With some of Sydney's finest eating experiences on your doorstep, eating in or dining out will be equally pleasurable.

The considered design ethos continues across the living / bedroom in stunning floor to ceiling custom joinery that contrasts brilliantly with the enormous windows and sun lit vistas by day, and blends beautifully with a sweeping starlit skyline at night drawing the eye to the magnificent harbour lights and beyond.

The incredible views continue in the cleverly modernised light filled bathroom with bath and on to the sunny rooftop deck with 180 degree views of Sydney, multiple undercover seating areas, line drying zone and BBQ.
