Room to get comfortable: The spacious open-plan lounge and dining area gives you room to spread out, with easy-care floating floorboards and a big front window that brings in plenty of natural light. The practical kitchen offers ample bench space, updated appliances, and a breakfast bar for quick meals.

Good-sized bedrooms, useful storage: Both bedrooms have brand new carpet and large built-in robes, with the flexibility to make one of these your home office. The roomy bathroom has a separate bath and shower, plus a separate laundry with additional storage. Two reverse cycle heating and cooling units keep things comfortable, with 21 solar panels to keep your bills down.

Two courtyards, more ways to unwind: Enjoy a coffee with a green outlook in the front courtyard or share a meal with friends out the back. Both courtyards are enclosed and private, giving you space to relax and potter without a big garden to maintain.

Coffee, takeaway and the school run: Outside your gate, winding paths through green space lead you on a short walk to your morning coffee, groceries or a takeaway. Daycare, Namadgi school & popular adventure playground are also within walking distance, giving you more reasons to leave the car at home.
