Purpose-built to the highest of specifications, no detail has been overlooked in the creation of this showstopping residence. High-end natural materials, bold architectural lines, and refined finishes come together to create a truly commanding presence, while low-maintenance landscaping ensures you'll spend more time enjoying your acreage lifestyle and less time maintaining it.

Inside, the home impresses with soaring ceilings, striking skylights, and polished concrete floors-all flawlessly integrated to elevate both form and function. Expansive living zones include a private media room, a large separate lounge, and a vast open-plan family and dining area, with a feature stacked-stone wall and designer LOPI flued gas fireplace commanding attention. Oversized windows and glass sliders bathe the home in natural light while framing the sweeping acreage views beyond.

The kitchen is a true centrepiece-both beautiful and brilliantly appointed. Designed with serious entertainers in mind, it features an oversized island bench, twin ovens, induction cooktop, dual Bosch dishwashers, and extensive storage throughout bespoke joinery. A massive butler's pantry with additional appliances and instant hot water further enhances the culinary experience.

Sliding doors open the interior to an expansive covered alfresco, where year-round entertaining is elevated by a fully-equipped outdoor kitchen complete with commercial-grade bar fridges. The peaceful backyard stretches beyond, fully fenced for privacy and safety, and designed for family memories with wide open lawns, a cubby house, and plenty of space for pets and play. A stunning in-ground saltwater pool with low maintenance surrounds and a fully-equipped pool house (with full bathroom) completes the backyard oasis.

Accommodation is intelligently zoned to ensure privacy, with five oversized built-in bedrooms plus a separate study/sixth bedroom with built-in storage. The master suite is an indulgent retreat, featuring a electric fireplace, an enviable walk-in robe with custom cabinetry, and a luxurious ensuite with dual vanities, full-height tiling, and a freestanding bath. A matching family bathroom and separate powder room cater to the rest of the household with equal flair.
